- **Welcome and introductions**
  - Dawn:
    - Students plan to start attending the Stand Up Winnisquam meetings. The Office of Student Wellness at the MS is a more convenient location for them to be able to attend.
    - Went over the Community Asset Research Document https://docs.google.com/spreadsheets/d/1zy8yIh_pxyMz4Hf-gBSUZz4P5C1iQuxrh9uTGBbqZkM/edit?usp=sharing
      - Please complete any information you have
    - The students and businesses that attended "What's Right With This Picture?" have been thanked. Would like to conduct one more formal thank you.
- **Community Asset Research**
- **Other discussion**
  - Sarah referenced the opportunities that came out of the "What's Right With This Picture?" workshop, ie. talent show @ the HS
  - Katie suggested seeking out farmers markets for tables to present information
  - Kristen suggested a "Nerf Night" or cook off to draw people in and then present the information.

    - Katie mentioned that Copper Cannon Camp will be having a family weekend during Labor Day weekend.
    - Rachel suggested tapping into the market days @ Tanger
    - Sarah mentioned the Movies in the Park as well as the Summer Concert Series
    - Rick mentioned foster grandparents a volunteers
        - Eric said that the funding has changed
    - Rick also suggested seeking out retired military
    - Katie-
        - Elks Lodge
        - Rotary
        - Recent change with people receiving benefits through the state, need to volunteer a specific amount of hours
        - Possibly work off time vs pay???
    - Brittany- transportation is still an issue
        - Maybe look for donated donated gas cards or volunteer vans
        - Possible drop off spots in specific locations
        - Open up to Camp Spaulding and use their busses???
    - Eric wondered about the possibility of an after school camp @ Lochmere Meadows
    - Grandparents can tap into Uber Driving
- **Root Cause Analysis**
    - The next step is the Root Cause Analysis. The Winnisquam Echo will be printing an article in their next issue. "What's Wrong With This Picture?" - it's a specific process to bring input and data and become educated on the specific conditions aggravating/ causing that issue.
- **Sub Committees—Thanking Assets, Specific Activity, Prevention Messaging, etc**
    - Dawn will be putting together a description of each committee. Here are the current lists:
        - Thanking Assets: Sarah, Dawn
        - Specific Activity: Skylor, Katie Rachel, Brittany, Susan, Meo
            - Meo will get info for hiking and outdoor education
            - Rick is interested in assisting with outdoor photography
            - Katie will help teach kids tennis
        - Prevention Messaging: Brittany (Sara L.?)
        - Root Cause Analysis: Rick, Katie
- **Date and Time of Next Meeting**

  June 17th 9:30-11 @ Office of Student Wellness
